🔗 Portfolio: filipmarciniak.vercel.app

Third-year Computer Science student at the University of Łódź. I have hands-on experience in database administration and network management, and I am actively developing skills in AI and LLM technologies through my engineering thesis project. I enjoy solving real problems and learning quickly in a professional environment.

📁 Experience

University of Łódź, Network Administrator at Student Dormitory 10/2025 – Current

- Manage and maintain the LAN network infrastructure
- Troubleshoot hardware and software connectivity issues
- Monitor network performance and ensure stable, secure internet access

Merrid Controls, Database Administrator Intern 06/2025 – 09/2025 | Łódź, Poland

- Administered and maintained MS SQL databases in a production environment
- Wrote and optimized SQL queries, stored procedures and reports
- Supported data integrity, backups and day-to-day database operations

🎓 Education

Bachelor of Engineering in Computer Science 10/2023 – present

University of Łódź, Faculty of Physics and Applied Informatics

Specialization: Database administrator

🧠 Skills

Databases

MS SQL, MySQL, Oracle SQL

Networking and IT support

LAN administration,
Network infrastructure,
Windows Server basics

Programming

C#, Python, C++, Java, JavaScript, PHP,
HTML/CSS

Soft skills

Great teamwork, Works well under pressure,
Good time management, Fast learner

🌐 Languages

English

B2/Advanced

Polish

Native

🔑 Interests

Formula 1 telemetry analysis, PC building & hardware optimization, Sci-Fi/Fantasy literature, active lifestyle (strength training, mountain hiking)
